PE and Sports Premium Overview 2022/23

Purpose	The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2022 to 2023 academic year, to encourage the development of healthy, active lifestyles. The Department for Education (DfE) has published information on how much PE and sport premium funding primary schools receive and advice on how to spend it. This money is ringfenced and can only be spent to make sustainable improvements to physical education and sport in schools. The school's Sports Premium lead Lorraine Atkinson (Headteacher)
Sports Premium Funding Allocation for this academic year	Stockton on the Forest Primary School received **£16,890** for the 2022/2023 academic year. This was made up of: ● A base grant of £16000 ● An additional payment of £10 per child from Y1-Y6 **£17,108** was carried in reserves to spend on PE by the end of the summer term. £16,870 was allocated for the 2021/22 academic year Carried over from this total fund into 2022/23: £15,378 of c/f as only £1,730.33 was spent between April – July 2022.
Our 2022/23 plans to spend this money	● Specialist Sports coaches to support teacher CPD and children's attainment in PE ● Sports coaches to deliver training for play leaders ● Sports coach to lead 'Active Afternoons' to enhance pupils' personal development and support physical and mental wellbeing ● Sport and PE Equipment ● Additional after-school club provision for sport ● Lunchtime play leader employed to support physical activity during lunch times ● Contribution towards development/outdoor learning development including staff training
Desired impact of the plans for 2022/23	● Access to specialist coaching provides staff with CPD to develop and improve their personal teaching of PE ● PE sessions are timetabled to take place twice a week with an Active Afternoon planned for each class every 4 weeks. ● Access to specialist coaching provides strong sports provision for the children, ensuring more children take part in physical activity ● Sports coach to deliver 'active afternoons' to pupils to develop sports skills, encourage all children to be active, impact on positive physical and mental wellbeing and contribute to positive character development ● High quality resources for sport and PE are consistently available throughout the whole year ● Investment in play leader promotes active lunchtimes ● More children take part in competitive sporting events through the continued affiliation with YSSN.

PE and Sports Premium Overview 2022/23

	• To regain the Gold School Games Mark and start to aim for the Platinum Games Mark which ensures sports and physical activity are embedded across the curriculum and wider school community. • More children, including those who are less active to access inclusive opportunities for physical activity • Children to be more aware of the impact of exercise on mental health and well-being • All teachers to deliver daily active learning through the use of brain breaks • Pupils across school are given the opportunity to attend a wide range of clubs.
How we plan to make sure these improvements are sustainable	• The YSSN sports subscription provides specialist coaching to our teachers and staff, providing quality CPD that will help them teach their own PE lessons both now and in future years. • The Total Sports Coach provision will support children's personal development and character enabling sustainable impact on children's physical and mental health. • Investments in PE equipment and resources, following damage to old equipment, will sustain quality provision over the years to come. • Children are taught strategies to access physical exercise, understanding its link to good mental and physical health. Thereby, raising their potential for effective learning. • Promotion of outdoor physical activity following Forest area /outdoor learning training to support children in years to come.
Impact of the Sports Premium Funding 2021/23	YSSN subscription enabled the children engage in regular physical activity. The children were able to take part in competitions and leagues within the local area. They attended competitive and non-competitive matches and festivals. • YSSN have continued to support school staff to access valuable CPD opportunities for teaching physical education, especially those who are less confident with the subject. Staff have been able to identify sports where they feel their skills are weaker and have increased their knowledge and understanding for the future, including giving them new approaches and ideas. The introduction on the Total Sports coach has raised the profile of sport and physical wellbeing across the school. The outdoor learning training allowed a broader range of • Our lunchtime play leader has promoted activities on a lunchtime to ensure our children are more active.

PE and Sports Premium Overview 2022/23

	● PE/sports equipment has been upgraded, including some outdoor provision to ensure sustainable improvements. This has had a significant impact on promoting engagement of our youngest pupils in regular physical activity. ● The Gold School Games Mark was achieved due to the range of physical activities, sports and competitions our pupils have participated in. This has included the least active pupils.
Swimming figures for current Y6 class	● 88% of pupils can swim competently, confidently and proficiently over a distance of at least 25 metres. ● 88% of pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke. 100% can perform at least one stroke effectively. ● 88% of pupils can perform a safe self-rescue in different water based situations.
