All About

Mrs Cressey

I moved to the beautiful city of York from Scotland in 2015 and I fell in love with the place and the wonderful people, so I decided to stay! Since then, I have bought a house, got married and had a little boy called Thomas.

I have an identical twin sister and a younger sister. I spent most of my childhood performing in musical theatre at the Edinburgh Playhouse and I still enjoy singing and dancing now.

In my spare time, I love swimming and going on nature walks. I am currently learning how to bake and I have Thomas working as my little assistant. We both have great fun even when the cakes don't work out so well!

Growing up, teaching was always something that I wanted to do. I have a love for working with children, seeing them learn and grow and making a positive difference in their lives. Children always make me smile and surprise me in the most wonderful ways.
